(Stella's Love Theme)

Yeah, yeah, yeah, yeah

Whoa, whoa

Whoa

Don't be afraid

Now there's no hitch

Even from across the sea (So far across the sea)
I can hear you callin' me (Baby, come to me)
Destiny controls the air (No matter where you are)
Dream and dare to love again (Your home is in my heart)

I know the way I feel 'bout you will last
Oh, yes, it's gonna last and stand the test of time
So your search for love is about to end
Your future holds a place where true love begins

Even from across the sea (So far across the sea)
I can hear you callin' me (Baby, come to me)
Destiny controls the air (No matter where you are)
Dream and dare to love again (Your home is in my heart)

Take a romantic journey, just start a new beginning
You won't no where you're goin' till you're there
Is it just physical or is it lasting love
Please don't give up, we won't know unless we try

Even from across the sea (So far across the sea)

I can hear you callin' me (Baby, come to me)
Destiny controls the air (No matter where you are)
Dream and dare to love again (Your home is in my heart)

Oh

Don't be afraid

(Don't be afraid)

That's what dreams are made of

(Don't be afraid to love)

Even from across the sea (So far across the sea)
I can hear you callin' me (I hear you callin' me)
Destiny controls the air (No matter where you are)
Dream and dare to love again (Your home is in my heart)

[So far away]
I can hear you callin' me (My Stella's callin' me)
Destiny controls the air (No matter where you are)
Dream and dare to love again (Your home is in my heart)

Stella
No matter where you are
No matter how far you go
I'll be there
[Stella]
[Stella]
[Stella]
[Stella]
[Whoa, ooh]
[You mean the world to me]
[And I love you, and I love you, I love you, I love you]
[Oh, Stella]
[Yeah ooh]
