can't remember a time  
i didn't love you  
can't remember a day  
when you are not on my mind  
can't remember a dream  
that i wasn't love you  
no i oh i

can't remember a time  
i didn't need you  
can't think back to one moment  
must not thinking of you  
can't remember when i  
i stilln't see you  
it's true it's true

i have always loved you  
this how it's always be  
and it always will be you  
that i'll be with  
can't recall what came before you  
been living on my life  
living for you

can't remember a time  
i didn't know you  
can't go back to a day  
when you are not by my side  
can't remember a life  
i didn't hold you  
no i no i

ooo..

i can't remember a time  
i didn't love you  
when you weren't on my mind

i have always love you  
this is how i always bow  
can't remember after

loving someone else  
can't recall what came before you  
been living on my life

can't remember a time  
i didn't love you  
can't remember a day  
when you are not on my mind  
can't remember a dream  
that i wasn't love you  
oh why oh why

can't remember a time  
i didn't love you  
can't remember a day  
when you are not on my mind  
can't remember a dream  
that i wasn't love you  
oh why oh why

can't remember a time  
i didn't love you  
oh why oh why
