Beggar standin' on the corner sing your song, sing it  
for a dime

Bring them all the pain you carried down the line  
Your music's flying past their ears  
Goin' through your troubles for the herd to follow

Out of tune ravings  
Of the crippled crow, movin' down the ladder slow  
Where your friends on knee will help you  
And the cup of tin you carry is just the ticket to get you  
in

Beggar standin' on the corner dry your eyes, your time  
is nigh  
The tears you're tastin' now are only salty time  
Your music's lasted through the years  
Goin' through your troubles for the herd to follow

The out of tune ravings  
Of the crippled crow movin' down the ladder slow  
Where your friends on knee will help you  
The crown of thorns you're wearin' is just the ticket to  
get you in

The out of tune ravings  
Of the crippled crow movin' down the ladder slow  
Where your friends on knee will help you

The out of tune ravings  
Of the crippled crow movin' down the ladder slow
