They're killing babies in the name of Freedom  
We've been down that sorry road before  
They let us hang around a little longer than they should  
have  
And it's too late to fool us anymore

We've seen the ones who killed the ones with vision  
Cold-blooded murder right before your eyes  
Today they hold the power and the money and the  
guns  
It's getting hard to listen to their lies.

Chorus:

And I've just got to wonder what my Daddy would've  
done  
If he'd seen the way they turned his dream around  
I've got to go by what he told me, try to tell the truth

And stand your ground  
DON'T LET THE BASTARDS GET YOU DOWN

Mining roads  
Killing farmers  
Burning down schools full of children  
Fighting communism

Chorus:

And I've just got to wonder what my Daddy would've  
done  
If he'd seen the way they turned his dream around  
I've got to go by what he told me, try to tell the truth  
And stand your ground  
DON'T LET THE BASTARDS GET YOU DOWN
