Don't look so sad
I know it's over
But life goes on
And this old world
Will Keep on turning
Let's just be glad
We had this time
To spend together
There is no need to watch the bridges
That we're burning
Lay your head upon my pillow
Hold your warm and tender body
Close to mine
Hear the whisper of the raindrops
Blow softly against my window
Make believe you love me
One more time
For the good times
For the good times
I'll get along
You'll find another
And I'll be here
If you should ever find
You need me
Don't say a word
About tomorrow
Or forever and ever and ever and ever
There'll be time enough for sadness
When you leave me
For the good times
For the good times

Lay your head upon my pillow
Hold your warm and tender body
Close to mine
Hear the whisper of the raindrops
Blow softly against my window
Make believe you love me
One more time
For the good times
For the good times
Lay your head upon my pillow

Hold your warm and tender body
Close to mine
