So many questions  
So many answers  
So many reasons  
Most of them wrong

Facing the future  
With the faith of my father  
I let a stranger  
Into my home

And right there before me  
I saw it happen  
There's no denying  
Nothing's the same

The truth is a highway  
Leading to freedom  
All is forgiven  
Love is to blame

Chorus  
And I've seen him hold her  
With his head on her shoulder  
Singing her love songs

Soft as her smile  
Tender affection  
Under the rainbow  
Holy Creation  
Mother and child

I know the story  
I read the papers  
I see the anger  
I feel it too

But when I see the wonder  
In the smiles of my children  
It reminds me of dreams  
Worth coming true

Repeat Chorus
