I dig Bobby Dylan and I dig Johnny Cash  
And I think Waylon Jennings is a table thumpin' smash  
Hearin' Joni Mitchell feels as good as smokin' grass  
And if you don't like Hank Williams, honey, you can kiss  
my ass

'Cause I think what they've done is well worth doin'  
And they're doin' it the best way that they can  
You're the only one that you are screwin'  
When you put down what you don't understand

I said, "I dig Roger Miller, Merle Haggard, George  
Jones  
Shotgun Willie Nelson and them rockin' Rollin' Stones  
And Jerry Lee's still gotta be the coolest in the class

And if you don't like Hank Williams, honey, you can kiss  
my ass"

'Cause I think what they've done is well worth doin'  
And they're doin' it the best way that they can  
You're the only one that you are screwin'  
When you put down what you don't understand

'Cause I think what they've done is well worth doin'  
And they're doin' it the best way that they can  
You're the only one that you are screwin'  
When you put down what you don't understand
