Billy Dalton staggered on the sidewalk someone said  
he stumbled and he fell  
Six squad cars came screamin' to the rescue hauled  
old Billy Dalton off to jail  
Cause the law is for protection of the people rules're  
rules and any fool can see  
We don't need no drunks like Billy Dalton scaring  
decent folks like you and me no siree  
Homar Lee was nothing but a hippie walkin' through  
this world without a care  
Then one day six scrapping brave policemen held  
down Homar Lee and cut his hair  
Cause the law is for protection of the people rules're  
rules and any fool can see  
We don't need no hairy headed hippies scaring decent  
folks like you and me no siree  
Oh so thank your lucky stars we've got protection  
Walk the line and never mind the cost  
And no wonder who them lawmen were protecting  
When they nailed the Saviour to the cross  
Cause the law is for protection of the people rules're  
rules and any fool can see  
We don't need no riddle speaking prophets  
Scaring decent folks like you and me no siree
