I have seen the morning burnin' golden on the
mountain in the sky
Achin' with the feeling of the freedom of an eagle when
she flies
Turnin' on the world the way she smiled upon my soul
as I lay dying
Healin' as the colors in the sunshine was the shadows
in her eyes
Wakin' in the morning to the feeling of her fingers on
my skin
Wipin' out the traces of the people and the places that
I've been
Teaching me that yesterday was something that I never
thought of trying
Talkin' of tomorrow and the money, love and time we
had to spend
Lovin' her was easier than anything I'll ever do again

Comeing close together with a feeling that I've never
known before in my time
She ain't ashamed to be a woman or afraid to be a
friend
I don't know the answer to the easy way she opened
every door in my mind
But dreamin was as easy as believing it was never
gonna end
And lovin' her was easier than anything I'll ever do
again.
