You look so good to me  
You never change  
Lord, has it really been so long?

Somehow old mystery  
Don't matter now  
Or who was right and who was wrong

We can make a new memory  
Of you and me  
'Cause I'm losing the ones I been using too long on my  
own

We can take it like it ought to be  
So easily  
When you luck into lucky lovin', you leave it alone

Feel this heart of mine  
Lord, can't you see  
How bad that we been missin' you?

These days it's hard to find  
Or make believe  
Any dreams worth comin' true

We can take it to eternity  
You and me  
'Cause we're better together than we'll ever be on our  
own

We can make like it ought to be  
So easily  
When you luck into lucky lovin', you leave it alone

We can make a lotta memory  
Of you and me  
'Cause I'm losing the ones I been using too long on my  
own

We can make it like it ought to be  
So easily  
When you luck into lucky lovin', you leave it alone
