(Kris Kristofferson)

This may be our last good night together
We may never pass this way again
Just let me enjoy it till it's over or forever
Please don't tell me how the story ends.

See the way our shadows come together
Softer than your fingers on my skin
Someday these may be all we remember of each other
Please don't tell me how the story ends.

Never's just the echo of forever
Lonesome as the love that might have been
Let me go on loving and believing till it's over
Baby, please don't tell me how the story ends.

Please don't tell me how the story ends...
