Well, she didn't look as pretty as some others I have  
known  
And she wasn't good at conversation when we were  
alone  
But she had a way of making me believe that I  
belonged  
And it felt like coming home, when I found her

She seemed to be so proud of me just walking holding  
hands  
And she didn't think that money was the measure of a  
man  
And we seemed to fit together when I held her in my  
arms  
And it left me feelin' warm, when I loved her.

Chorus:  
'Cause she brightened up the day like the early  
morning sun  
And she made what I was doin' seem worth while  
It's the closest thing to living that I guess I've ever  
known  
And it made me wanna smile, when I loved her.

I know some of us were born to cast our fortunes to the  
winds  
And I guess I'm bound to travel down a road that never  
ends  
But I know I'll never look upon the likes of her again  
And I'll never understand why I lost her

Chorus:  
'Cause she brightened up the day like the early  
morning sun  
And she made what I was doin' seem worth while  
It's the closest thing to living that I guess I've ever  
known  
And it made me wanna smile, when I loved her.
