Why me Lord? What have I ever done
To deserve even one of the pleasures I've known?
Tell me Lord, what did I ever do that was worth loving
You
For the kindness You've shown?

Oh, Lord, help me Jesus, I've wasted it
So help me Jesus, I know what I am
Oh, now that I know that I needed You so
Help me Jesus, my soul's in Your hands

Try me Lord, if You think there's a way
I can try to repay all I've taken from You
Maybe Lord I can show someone else
What I go through myself on my way back to You

Oh, Lord, help me Jesus, I've wasted it
So help me Jesus, I know what I am
Oh, now that I know that I needed You so
Help me Jesus, my soul's in Your hands

Lord, help me Jesus I've wasted it
So help me Jesus, I know what I am
Oh, now that I know that I needed You so
Help me Jesus, my soul's in Your hands
Jesus, my soul's in Your hand
