Lalalalalalalalala...ohhh!

I feel so unsure
As I take your hand and lead me to the dance floor
As the music dies
Something in your eyes
Calls to mind a silver screen
And all it's sad goodbye

Chorus:
I'm never gonna dance again
Guilty feet have got no rhythm
Though it's easy to pretend
I know you're not a fool

Should have known better than to cheat a friend
Waste a chance that I've been given
So I'm never gonna dance again
The way I dance with you, oh

Time can never mend
For careless whisper of a good friend
To the heart and mind
Ignorance is kind
There's no comfort in the truth
Pain is all you'll find

(Repeat Chorus)

Tonight the music seems so loud
I wish that we could lose this crowd
Maybe it's better this way
We'd hurt each other with the things we want to say
We could have been so good together
We could have lived this dance forever
But now who's gonna dance with me
Please stay

(Now that you're gone)
Now that you're gone, I feel so alone
(Now that you're gone)
