Shhhhhhhhh

Kris Kross 9 to 5

Yeah

Who gotcha open, scopin' out tha track  
It's no other than the sounds of the Daddy Mac  
Still slackin' back-packin' up my turf  
'Cause after me was a factor real worse at the worst  
Stompin', jumpin' wanna-be's  
But ever however there's only one M-A-C  
-Say what-  
Me and Daddy for the big picture  
Ways of gettin' richer, Mister quick to hit your sister

I'm rollin' in the Green County all chrome  
I sling brothers on the deck on my cellular phone  
I'm just loungin', leather, sound all around  
And a dip on the other end wanna put me down  
Now no hesitation I hops to it  
See it ain't easy bein' a Mac but somebody gotta do it  
True, it's usually not represented right  
But I'm the M-A-C-D-A-double D-Y and tonight's tha  
night

Please, my whole crew makes G's  
Tonight's tha night, baby, so blow up on these  
Tonight, tonight' is tha night  
Tonight' is tha night  
Please, my whole crew makes G's  
Tonight's tha night, baby, so blow up on these  
Tonight, tonight' is tha night

Tonight's tha night I call up all the girls  
I used to go to school with  
Fool with, and all the Niggas that I'm cool with  
Let 'em all know that my mom is gone  
And it will be tomorrow before she comes back home

Ding-dong it's on, Nigga say no more  
I'm with a truck full of women so just open tha door  
Cause, yo, we came here to party  
Get it crunk, get drunk and leave your house with

somebody  
True, that some homies don't bring your main misses  
Cause it's real deal mackin' when it comes to the  
Chris's  
And this could be your very last time seein' her  
One look at me and you better believe that I be g'in' her  
So come along or don't come at all -why-  
Cause it's real big pimpin' at this playa's ball  
True, it's usually not represented right  
But with me it's all to the G and tonight's tha night

Please, my whole crew makes G's  
Tonight's tha night, baby, so blow up on these  
Tonight, tonight' is tha night  
Tonight' is tha night  
Please, my whole crew makes G's  
Tonight's tha night, baby, so blow up on these  
Tonight, tonight' is tha night
