featuring Redman

Kris Kross

Redman remix

(Redman) No one can do this better than me

Uh rock on

(Redman) Funk Docta Spock

Feel me

I got your block on lock

Redman in the house one time

Tear the house down two or three times

Who got you open

Scopin

Out the track

It's no other than the sounds of the Daddy Mac

Still slapping

Back patchin up my turf

Cause after me was a fact

Real words at the worst

Stompin, jumpin wannabes

Better but now however there's only one M-A-C

Me and Doc for the big picture

Ways of gettin richer

Miss too quick to hit your sister

Ballin in the green county on chrome

I slip brothers in the deck

Got my cellular phone

I'm just loungin

Remember

Sound all around and a dip on the other end wanna put  
me down now

No hesitation I hops to it

See it ain't easy bein Mac but somebody gotta do it

True usually represent it right

But I'm the M-A-C D-A double D-Y

And tonight's the night please

My whole crew, mate's, G's

Tonight's the night baby so blow up on these

Tonight  
Yea tonight's the night  
Please listen to the remix  
Yea please listen to the remix  
Tonight's the night please  
My whole crew, mate's, G's  
Tonight's the night baby so blow up on these  
Tonight  
Tonight's the night  
Please listen to the remix

Redman rock on  
I was born to beat MCs down to oblivious  
Nobody touch this  
The superb superior  
Fine interior  
Blown on all visitors  
Steppin in my physical perimeter  
Ha  
I rock those and three quarter stones  
Of the purple  
Work butter  
The eye shutter  
Burst  
If you wanna test the lyrical expert  
I start jumpin like grandma's in church  
Def Squad representa  
We representin hood buggers, Buddha mikes and cash  
getters  
Just smash master feelers and ass kickers  
Real criminals who hold the gap clickers  
The way I rap I impress  
You damn right I'm gettin cheddar from So So Def  
Watch the Bricks get thicker  
O-7-1-O  
3 be flowin Don at the tunnel  
Blaze the blunt  
Take it too  
Prove you that ill Mc from that slick hero  
I know you kinda folks  
You just run this skit town  
Your girl rock my  
You turn my down yea  
Now how's that from the Keith Murray LP  
Pop Krystalle forever  
Whoever can nail me  
Straight up Def Squad till I die  
I stay jiggy, aaah with the green eyes

Tonight  
Kris Kross rock on

Redman rock on  
Tonight  
So So Def rock on  
Tonight  
Def Squad rock on  
Kris Kross rock on  
Redman rock on  
Tonight  
So So Def rock on  
Tonight is the night  
Def Squad rock on  
Yea yea baby
