Sometimes I wonder
If I'd ever make it through,
Through this world without having you
I just wouldn't have a clue

'Cause sometimes it seems
This world's closing in on me,
And there's no way of breaking free
And I see you reach out for me

Sometimes I wanna give up
I wanna give in,
I wanna quit the fight
And then I see you, baby
And everything's alright,
Everything's alright

Chorus:
When I see you smile
I can face the world, oh oh,
You know I can do anything
When I see you smile
I see a ray of light, oh oh,
I see it shining right through the rain
When I see you smile
Baby when I see you smile at me

Baby there's nothing in this world
I could never do
What a touch of your hand can do
It's like nothing that I ever knew

And when the rain is falling
I don't feel it,
'Cause you're here with me now
And while I ask you baby
It's all I'll ever need,
It's all I'll ever need

(Chorus)

Sometimes I wanna give up
I wanna give in,
I wanna quit the fight yeah
And one look at you baby
And everything's alright,
Everything's alright
So right...

When I see you smile baby

(Chorus 2x)
