Time, I've been passing time watching trains go by
All of my life
Lying on the sand watching seabirds fly
Wishing there could be someone
Waiting home for me

Something's telling me it might be you
It's telling me it might be you
All of my life

Looking back as lovers go walking past
All of my life
Wondering how they met and what makes it last
If I found the place would I recognize the face

Something's telling me it might be you
It's telling me it might be you
So many quiet walks to take
So many dreams to wake and there's so much love to
make

I think we're gonna need some time
Maybe all we need is time
And it's telling me it might be you
All of my life

I've been saving love songs and lullabies
And there's so much more
No one's ever heard before
Something's telling me it might be you
Yeah, it's telling me it must be you and
I'm feeling it'll just be you
All of my life
It's you, it's you I've been waiting for all of my life
Maybe it's you Maybe it's you I've been waiting for all of
my life.
