Sometimes I wonder  
How I'd ever make it through,  
Through this world without having you  
I just wouldn't have a clue

'Cause sometimes it seems  
Like this world's closing in on me,  
And there's no way of breaking free  
And then I see you reach out for me

Sometimes I wanna give up  
I wanna give in,  
I wanna quit the fight  
And then I see you, baby  
And everything's alright,  
Everything's alright

When I see you smile  
I can face the world, oh oh,  
you know I can do anything  
When I see you smile  
I see a ray of light, oh oh,  
I see it shining right through the rain  
When I see you smile  
Oh yeah, baby when I see you smile at me

Baby there's nothing in this world  
that could ever do  
What a touch of your hand can do  
It's like nothing that I ever knew

And when the rain is falling  
I don't feel it,  
'cause you're here with me now  
And one look at you baby  
Is all I'll ever need,  
You're all I'll ever need

Chorus

Sometimes I wanna give up  
I wanna give in,  
I wanna quit the fight  
And then I see you baby  
And everything's alright,  
Everything's alright

So right...
