It must have been cold there in my shadow
To never have sunlight on your face
You were content to let me shine, that's your way
You always walked a step behind

So I was the one with all the glory
While you were the one with all the strength.
A beautiful face without a name, for so long
A beautiful smile to hide the pain

Did I ever tell you you're my hero
You're everything, everything I wish I could be
Oh and I could fly higher than an eagle..oooh
For you are the wind beneath my wings

Fly, fly, fly away. You let me fly so high.
I thank you, my daddy thank you
thank God for you, the wind beneath my wings.
