Om Jaya Jagadeesha Hare, Swaami jaya Jagadeesha  
hare

Bhakta janana ke sankata, deena janana ke sankata  
Kshaana mein dura kare  
Om jaya Jagadeesha hare

Hail to the Lord of the Universe, Oh Master, hail Â...  
Who in an instant removes the troubles  
of devotees and humble people.

Jo Dhyaawe phala paawai, dukha vinashey mana kaa  
Sukha sampati ghara aawai, kashta mitai tana kaaÂ...

Meditating on you brings these fruits: sorrows of the  
heart are destroyed,  
Happiness and wealth come to the home, and physical  
sickness is removed.

Maata Pitaa tuma mere, sharana gahoon kisa kee  
Tuma bina aura na dooja, aasha karoon jisa kee

You are my Mother and Father, from who else can I  
seek refugeÂ...  
Without you, there is no one
