Om Jaya Jagadeesha Hare, Swaami jaya Jagadeesha
hare
Bhakta janana ke sankata, deena janana ke sankata
Kshaana mein dura kare
Om jaya Jagadeesha hare

Hail to the Lord of the Universe, Oh Master, hail
Who in an instant removes the troubles
of devotees and humble people.

Jo Dhyaawe phala paawai, dukha vinashey mana kaa
Sukha sampati ghara aawai, kashta mitai tana kaa

Meditating on you brings these fruits: sorrows of the
heart are destroyed,
Happiness and wealth come to the home, and physical
sickness is removed.

Maata Pitaa tuma mere, sharana gahoon kisa kee
Tuma bina aura na dooja, aasha karoon jisa kee

You are my Mother and Father, from who else can I
seek refuge
Without you, there is no one; I have no other hope.

Tuma poorana paramaatmaa, tuma antarayaamee
Paara Brahma parameshwara, tuma suba ke swami

You are Complete, the Supreme Self, who dwells within,

Beyond Brahma, you are the Supreme Lord, the Master
of All.

Tuma karunaa ke saagara tuma paalana kartaa
Mein sewaka tuma swami, kripaa karo bharataa
You are an Ocean of Compassion, the Nourisher.

I am the Servant, you are the Master, bestow your
grace, Preserver!

Tuma ho ek agochara, suba ke praana patee

Kisa vidhi miloon dayaamaya, tumako mein kumati

You are One, Unseen, Lord of all life.
Oh Merciful One, how can I find you, with a mind so defiled.

Deena bandhu dukha hartaa, tuma rakshaka merey
Apney haata utaa, dwaara paraa terey
Brother of the Helpless, Reliever of Sorrows, You are
my Protector.
Raise your hand(in blessing) I am lying at your door.

Vishaaya vikaara mitaa, paapa haro devaa
Shraddhaa bhakti barhaao, Santana kee sewaa

O Lord, remove my impurities, take away my sins,
Increase my reverence and devotion and service to the
Saints
