Severe ways of penitence
Bleeding offers to divine ecstasy
Brutal craft of pure molestation

Echoing words of redemption, calling souls of bleeding
earth
Whips crack onto bare backs, decapitation before
crucifixion

Sharp razors driven through
Till the bone infiltrate
Sacred daggers of a mad priest
Slash the throat, molesting

[Chorus:]
Sacrificial painful cult glorify the sadochrist
The crown of thorns is just a prize
To the holy ghost who's sodomized

[Repeat 1st Verse]

Brutal sentence will condemn and purify the unholy
soul
Several times stabbed in the back, as blood sprays into
the chalice

Ripping flesh torn apart, a divine day beholds
condemnation
Decapitation right through the neck
Crucifixion nailed in the back

[Repeat Chorus]
