Awaken on through deserts wasted
As emplaced eternity has passed
Blowing winds of scorching twilight
Spiritual scourge on me is divine

Worm soul blasphemous dissent
Extensions of primitive maledictions
Treachery of holy scriptures
I became spawned again

Serpents redeemed, mundane rebirth
Embraced by thorns, decayed angels fall
Decayed angels fall

Dawn of the grand flagellation, desolated chaos divine
Centuries of holocaust, annihilation of nations I've seen
Relentless execration, immortal pain for victory
Scourged banned land, immense phanteons in flames

Serpents redeemed, mundane rebirth
Embraced by thorns, decayed angels fall

Dawn of the grand flagellation, desolated chaos divine
Centuries of holocaust, annihilation of nations I've seen
Relentless execration, immortal pain for victory
Scourged banned land, immense phanteons in flames

Serpents redeemed, mundane rebirth
Embraced by thorns, decayed angels fall

Infestation profane of signs of salvation
Revelations of luciferian seal
Every grace became wounded
As every wound starts to bleed

Unsacred liquid of infernal works
Through fire and pain my shadow evoked
Abyssal dimensions aligned
Unearthly revengeful legions remains
