"Evil Gods Havoc"

Visit "[Evil Gods Havoc](#)" on MotoLyrics.com

Amongst mountains, sacred fields
Of the havoc of the evil gods
A ferocious forged empire guards
Mystical altars and monopoliths
Heralds of primitive evil powers

Prayers of chaos and hate
Rituals of perpetual darkened servitude
Conquering of gods supremacy
Ceremonial flesh desecration
Spirits of fire unleashed

Descendants of enemies hatred blood
Ancestral armies clash
Vindication of tyrant enthroned
Impaler of nations conquered
Ethereal monarch of victorious chaos
Of festivals of blazing purification

Enchanting of pure vengeful spells
Ageless souls of vengeance rejoiced
Upon massacred civilizations
Remains divine earth
Upon massacred civilizations
Remains divine earth

Genocide empowers the tyrant
Enduring chaotic strength
Conquering legions of the ancient pillages
March on thru eternity

Genocide empowers the tyrant
Enduring chaotic strength
Conquering legions of the ancient pillages
March on thru eternity
