Coiled beast, devoured in wait
Dweller of the pits of the earth
Banished from grace
King of nightmares realm
Effigy of perpetuation
Extensions of vicious natural joy
Spawn of primordial seeds

Redeemed of preys see me coilin'
Mortal twisting of doom
Crawling rattle deadly sting
Innocent flesh slain
See me coilin' plagued venom bearer
As pervades your dreams

Raised before the dawn of light
As I vomit between your eyes
Foretold of morning stars
Thru path of damnation, crawl

Blackened existence, emplagued fertility
Underworld creature
Thru the falling of shadows of all dawns
I shall rise

Temples of pain and bloody redemption
Divine creation envenomed
Worshipped by the whore of Jehova's God
I'm the beginning and the end

Hateful guardian of the treasures of the earth
Tombs I desecrate
Surrounding shadows eternal rebirth
Before existence of men

From abyssal seas to deserts undwelled
Below sands of death
Ominous eyes creature unbound
Visions of eternal scourge

All things all disgust
As I carry its ancestral curse

Erected bold I stand
If I die I shall be born again

Blackened existence, emplagued fertility
Underworld creature
Thru the falling of shadows of all dawns
I shall rise

Blackened existence, emplagued fertility
Underworld creature
Thru the falling of shadows of all dawns
I shall rise, I shall rise
