The war on drugs we smoke more by 10 A.M. than most
people do all day

The war on drugs is a war on me
and if its not then let me be
home of the brave
land of the free
Its just a plant so let freedom ring

I'm sick of these snitches droppin dimes on my block
on my small sack slangers
to my indoor crops or our cash money business
or my late night stops or
anything about this old school pimp called pops

Yeah! Shit fuck Piss
I can't stand the cops they're always on my dick
trying to snatch my crops but
they'll never gonna get 'em cause givem to my pops
then I fail out of town in
my matha fucking dodge

You can't catch me so please stop trying
there's no denyin that the cops are lie'en
Not me because I not you can't relate
when I look you in the face I can tell
that you're a fake. Ha! Ha! Ha!

Zero Tolerance
Zero Tolerance
Zero Tolerance I got zero tolerance

Just because you're a you fat wanna be stinky ass
matha fucka
Tryin to get my shit but you can't you suck get the hell
out my face?
Cause your breath stinks bad your badge is dirty you
cricked ass fag

I'm here to free all the people that are livin in fear
The modern day Paul Revere, Just lend me your ear

Cause they're comin, in fact they're already right here
You know how much they spent in the war on drugs
simply last year?
Eleven-Billion Dollars straight down the drain
The war on drugs has cost a lot, you shouldn't worry
about me,
or my bag of pot
Not hurtin' nobody, not polluting the youth
Not sellin no lies, I'm only giving out truth
Try to tell me what to do, I won't listen to you,
I'll smoke weed till I die, out of joints, pipes, tubes

well I'm rymin and I'm stealin -
dealin time after time -
rhyme patterns
designed to enlighten your mind -
legalize the word freedom till the plants not
a crime and when the plants not a crime
well all be livin divine zero tolerance
is ignorance we're drawin the line!

Zero Tolerance the war on drugs is a waste of time
how could a plant be a crime-
you got the bombs to kill off our kind- Arrest and seize
we get jailed
Fucked-w/-Find -free the plant"

Zero Tolerance I got zero tolerance
