Wooh oh wooh oh wooh ooh  
Ooh yeah

If I could reach the stars  
Pull one down for you  
Shining on my heart  
So you could see the true  
That is love I have inside  
Is everything it seems  
But for now I find  
It's only in my dreams

(Chorus)  
And I can change the world  
I would be the sunlight in your universe  
You won't fake my love for it's really something good  
Baby, if I could change the world

Wooh oh wooh oh wooh ooh

If I could be a queen  
Even for a day  
I take you as my king  
I have it no other way  
And now our love will rule  
This kingdom we have made  
Till then I'd be a fool  
Wishing for the day

(Chorus)  
That I can change the world  
I would be the sunlight in your universe  
You won't fake my love for it's really something good  
Baby, if I could change the world

Baby, if I could change the world  
Wooh oh wooh oh wooh ooh  
Ooh yeah

And I could change the world  
I could be the sunlight in your universe

You won't fake my love for it's really something good,  
oh  
Baby, if I could change  
Baby, if I could change  
Baby, if I could change the world

Wooh oh wooh oh wooh oh  
Ooh yeah
