Take it away  
My plate is full  
And I won't take anymore from you  
'Cause I opened this one  
I brought you to me  
I took it too far  
So I better leave now  
Don't look at me  
Don't you speak  
Don't you give  
Don't give anything to me

'Cause I'm so blind I can't think  
And I'm so sick I can barely breathe  
And you  
You are choking me  
You  
You are pulling me  
You

You put your chains on me It was only a dream  
And one of us  
One of us has to leave

Is it breaking you  
Like it's breaking me  
Is it breaking you  
Like it's breaking me  
Is it breaking you

I'm sorry  
I'm sorry  
But I loved you  
I still do

Is it breaking you  
Like it's breaking me  
Is it breaking you  
Like it's breaking me  
Is it breaking you

Take it away
