I am no stranger to pain trouble's a face i know and i  
have nothing to lose  
spending my time alone faces they come and go  
memories of love gone by  
traces of i don't knows manifest to goodbye. . .and in  
the darkest of days  
love has the strangest ways and in the brightest of  
times it can change  
your mind. . .countless occasions misled by persuasion  
i'm alone here full  
of misgiving for lies i've been living i'm on loan here  
and a cold hand i  
feel on my shoulder is pulling me backward making me  
older an old hand i  
feel on my shoulder keeps pulling me backward  
making me colder making me  
colder making me colder. . .colder. . .colder
