She's a sparkle in her Father's eye,
Kind of like the moon tonight.
She's destined for divinity,
Her portion is His purity
And a glance His way comes across her face.

He sheds a tear, oh, oh,
Amazing grace, how sweet the sound,
Amazing love,
Oh, she's been found.

A sparkle in her Father's Crown.

Holy love come raining down,
Come storming in, be jealous found.
Come violent love,
Come stormy sea,
Sweep fear away and joy shall be.

And even if He had ninety nine
That stayed at home and stayed in line,
He would not be satisfied.
He would still go out to find
The one who's always on His mind
And bring her back, arms opened wide.

He sheds a tear, oh, oh,
Amazing grace, how sweet the sound,
Amazing love,
Oh, she's been found.

Holy love come raining down,
Come storming in, be jealous found.
Come violent love,
Come stormy sea,
Sweep fear away and joy shall be.

Holy love come raining down,
Come storming in, be jealous found.
Come violent love,
Come stormy sea,

Sweep fear away and joy shall be,
Sweep fear away and joy shall be.

She's a sparkle in her Father's eye,
Kind of like the moon tonight.
