It's the sweetest thing
To trust you,
Just to know
You got everything under control.

It's the sweetest thing
To trust you,
Just to know
You got everything.

And You are making me a mountain,
You're making me a mountain
That cannot be shaken.

You are making me a mountain,
You're making me a mountain
That cannot be moved.

High up on a rock,
Looking out at the horizon,
Watching as the storm rolls in,
Wondering if my heart will survive it,
And as the waves crash all around me,
And I can't remember what it feels like to be free,
I know You're making me a mountain,
You're making me a mountain
That cannot be shaken.

You are making me a mountain,
You're making me a mountain
That cannot be moved.

You say, I've got you, my baby,
Oh I've got you.
It's quite a mess you're in,
But it's nothing love can't fix.
So sit here upon My shoulders
And watch as it all unwinds.

You are making me a mountain,
You're making me a mountain
That cannot be shaken.

I know You're making me a mountain,
You're making me a mountain
That cannot be moved.

I know You're making me a mountain,
Making me a mountain
That cannot be shaken.

You are making me a mountain,
You're making me a mountain
That cannot be moved.
