My foes are many, they rise against me  
But I will hold my ground  
I will not fear the war, I will not fear the storm  
My help is on the way, my help is on the way

Oh, my God, He will not delay  
My refuge and strength always  
I will not fear, His promise is true  
My God will come through always, always

Trouble surround me, chaos abounding  
My soul will rest in You  
I will not fear the war, I will not fear the storm  
My help is on the way, my help is on the way

Oh, my God, He will not delay  
My refuge and strength always  
I will not fear, His promise is true  
My God will come through always, always

I lift my eyes up, my help comes from the Lord  
I lift my eyes up, my help comes from the Lord  
I lift my eyes up, my help comes from the Lord  
I lift my eyes up, my help comes from the Lord

From You Lord, from You Lord

Oh, my God, He will not delay  
My refuge and strength always  
I will not fear, His promise is true  
My God will come through always, always

Oh, my God, He will not delay  
My refuge and strength always, always
