I look to the hills, where does my help come from
From You, You alone, You're reaching out for me
You are my Saviour

You are the Lord Almighty
None can stand against Your name, Lord, Your name
Has the power to save, power to save
You are the Lord Almighty
There is nothing like Your love, Lord, Your love
You have given it all, given it all

I go to the cross, there I find all I need
Surrender my heart, Jesus, draw near to me
You are my Saviour

You are the Lord Almighty
None can stand against Your name, Lord, Your name
Has the power to save, power to save
You are the Lord Almighty
There is nothing like Your love, Lord, Your love
You have given it all, given it all

You are the One I live for
You are the One that saves

You are the Light that shines in us

You are the One I live for
You are the One that saves
You are the Light that shines

You are the Lord Almighty
None can stand against Your name, Lord Your name
Has the power to save, power to save
You are the Lord Almighty
There is nothing like Your love, Lord, Your love
You have given it all, given it all

You are the Lord Almighty
None can stand against Your name, Lord Your name
Has the power to save, power to save
You are the Lord Almighty

There is nothing like Your love, Lord, Your love
You have given it all, given it all

You've given it all
