Wonder and awe surround You Lord
Glory and fire light Your way
Day after day the heavens proclaim
The beauty of the holy One

We will respond
With joy in our song
Your enemies rise
Your enemies fall
Your fire consumes them all

There is none so high and holy
King of kings, the one and only
You are adored
You are the Lord of all

Mysteries unknown, are known to You
All wisdom is Yours to reveal
You hold in Your hand the days of all men
All life and breath are Yours to give

We will respond
With joy in our song
Your enemies rise
Your enemies fall
Your fire consumes them all

There is none so high and holy
King of kings the one and only
You are adored
You are the Lord of all

We adore You
We adore You
Lord of all the earth

Lord we love You
Lord we love You
Let our hearts be pure

Lord we love You
Lord we love You

Let our hearts be pure

There is none so high and holy
King of kings the One and only

You are adored
You are the Lord of all
You are adored
You are the Lord of all

You are adored
You are the Lord of all
You are adored
You are the Lord of all
