I give my life again, every breath I have
For You are my reward
Jesus, take my life, a sacrifice
All I have is Yours, all I have is Yours

You are my reward, all I'm living for
I surrender all my life to You
All consuming fire, You are my desire
No one else but You, I surrender all my life to You
All to You, my Jesus

Jesus, here I am with open hands
Lifted high to You
Could my heart contain all Your love for me?
You're all I need to know, You're all I need to know

You are my reward, all I'm living for
I surrender all my life to You
All consuming fire, You are my desire
No one else but You, I surrender all my life to You
All to You, my Jesus

Nothing compares to knowing You
Nothing compares to loving You
I'm giving my life to follow You, my King

Oh, nothing compares to knowing You
Nothing compares to loving You
I'm giving my life to follow You, my King
My King

Oh, nothing compares to knowing You
Nothing compares to loving You
I'm giving my life to follow You, my King

You are my reward, all I'm living for
I surrender all my life to You
All consuming fire, You are my desire
No one else but You, I surrender all

'Cause You are my reward, all I'm living for
I surrender all my life to You

All consuming fire, You are my desire
No one else but You, I surrender all my life to You
All to You, my Jesus, all to You, my King

All to You
