Love and mercy for the ones who call upon the Lord
Call upon the Lord
Strength and rescue for the ones who call upon the
Lord
Call upon the Lord

Jesus is risen, the power of God displayed
We've been forgiven of a debt we could not pay
Now we glorify Your name, oh

Hope and freedom for the ones who call upon the Lord
Call upon the Lord
Who is like the Lord of all, strong enough to save
And lift us from the grave?

Jesus is risen, the power of God displayed
We've been forgiven of a debt we could not pay
Now we glorify Your name, mmm

We will glorify Your name forever
We will glorify Your name forever
We will glorify Your name forever
Jesus, be lifted high

We will glorify Your name forever
We will glorify Your name forever
We will glorify Your name forever
Jesus, be lifted high

We will glorify Your name forever
We will glorify Your name forever
We will glorify Your name forever
Jesus, be lifted high

Jesus is risen, the power of God displayed
We've been forgiven of a debt we could not pay
Now we glorify Your name, Your name

Jesus is risen, the power of God displayed
We've been forgiven of a debt we could not pay
Now we glorify Your name, Your name

So we glorify Your name
