Duet with Alison Krauss  
Bed of hay, Earthen floor  
Strangers walk through the door  
I wanted much more for You  
Look at Him, can't you tell  
All is fine, all is well  
And the Word of the angel was true  
He's part of you and He's part of me  
He's part of heaven  
He's part of you and He's part of me  
He's part of heaven  
By my side everyday  
Underfoot and in my way  
Give me wisdom, I pray, O Lord  
He is ours for awhile  
Every tear and every smile  
Till He's everyone's Child to adore
