Look around

See the fear in tomorrow

Hear the sound

Of a world full of sorrow

There's a reason why

We're all alive

There's a place in our hearts

For the pain in each other

CHORUS:

Everyone's got a call to answer

Every heart's got a heart to save

Every player here has a part to play

Look around at the time that's passing

Don't you think that it's time we're asking

Where are the broken hearts...today

Look around

See the hope in the sorrow

Hear the sound

Of a better tomorrow

There's a way to live

And a place to give

There's a need in our hearts

For the help of each other

(REPEAT CHORUS)

Where are the broken hearts

Where are the broken hearts

There's a way to live

And place to give

There's a need in our hearts

For the help of each other

(REPEAT CHORUS TWICE)

Where are the broken hearts

Where are the broken hearts

Where are the broken hearts
