Your scent is still on my pillow
I pull it close to me
Is this what it feels like to be free?
Is it ok to fall apart?
Wish you could see me now
Helpless in the dark

How could I get so close
Yet so far away?
I played with fire, babe
And now I gotta pay
Is it ok to fall apart?
I tried so hard now
To lose you from this heart

Tonight Â- I surrender
- no more a pretender
Tonight Â- I'm finally letting go
No more faking
- come, come see me breaking
Tonight Â- I'll finally let it show

You kept the bravest smile
While I pushed you away
You got too close to me
So I couldn't stay
And look at me now
- falling apart
Are you here in spirit still
Somewhere in the dark

Tonight Â- I surrender
- there is no more a pretender
Tonight Â- I'm finally letting go
No more faking
- come, come see me breaking
Tonight Â- I'll finally let it show

You made me feel so good now
But yet so scared
Is it too late now?

Tonight - I surrender
- there is no more a pretender
Tonight - I'm finally letting go
Tonight - I surrender
- there is no more pretender
Tonight I'm finally letting go

Now I'm finally letting go
