My heart is aching, I'm sorry I have to grin
Oh there's this burning poison running through my
veins
My baby's far too beautiful to be forgotten
I wrote his name on my sheets made of cotton

Yesterday we fought just for the sake of fighting
I said: "Go, go, go, go!"
He slammed the door and I was left with next to
nothing
I cried: "No, no, no, no, oh no."

[Chorus:]

When it's a sunny day outside
I don't think we'll ever apart
Then comes the stormy rain, oh my
It washes away all the love from my heart

My love and I we share a soul wrapped flames
And yeah, it's filled with passion but the thing is
As much as there is beauty, there's an ugly side to
We go on and off, back and forth, up and down, round
and round

My heart is saying: "Girl, pick up the phone."
Come on, go, go, go, go
But my head resists: "You're better off alone"
So, no, no, no, no, o-oh

[Chorus:]

When it's a sunny day outside
I don't think we'll ever apart
Then comes the stormy rain, oh my
It washes away all the love from my heart

For the sixty-fourth time in a row
I had to let him go
But when I see him walking out the door
I only love him more

I slipped my bracelet in his pocket during our fight
So I know he has a reason to come around tonight

[Chorus:]
When it's a sunny day outside
I don't think we'll ever apart
Then comes the stormy rain, oh my
When it's a sunny day outside
I don't think we'll ever apart
Then comes the stormy rain, oh my
It washes away all the love from my heart
