When I think of home, I think of a place  
Where there's love overflowing  
I wish I was home, I wish I was back there  
With the things I've been knowing  
Wind that makes the tall grass bend into leaning  
Suddenly the raindrops that fall have a meaning  
Sprinkling the scene makes it all clean

Maybe there's a chance for me to go back  
Now that I have some direction  
It would sure be nice to back home  
Where there's love and affection  
And just maybe I can convince time to slow up  
Giving me enough time in my life to grow up  
Time be my friend  
(let me start again) let me start again

Suddenly my world's gone and changed its face  
But I still know where I'm going (where I'm going)  
I have had my mind spun around in space  
And yet I've watched it growing  
If you're listening God, please don't make it hard to go  
To know if we should believe the things that we see  
Tell us should we try and stay (should we stay)  
Or should we run away?  
Or would it be better just to let things be?

Living here in this brand new world (brand new world)  
Might be a fantasy (fantasy whoooaa)  
But it's taught me to love so it's real real reaaaaal to  
me

And I've learned that we must look inside our hearts to  
find  
Yeah a world full of love (A world full of love)  
Like yours, liiiiiike  
Like home  
Hooooooooome!!!
