Hey, haha yea you, yea y'all better listen up now. uh-huh, huh ok.

I want someone I can talk to, All night anytime I want to
Who'll be there when I want and won't be there when I
don't want him to be

Who understand's it's not easy to understand me
Someone who loves me sometimes bug's me sometimes
makes me wanna scream

I need my space someone not in my face, I want
somebody

I want somebody I can bitch about
I want somebody I cant live without
I want somebody who can make me insane completely
crazy

I want someone who's gonna come and mess me up
and make me want him way to much
Sometimes hate me sometimes love me
I want somebody, I want somebody

I want someone I can fight with, and then make up all
night with
Someone who makes me mad and makes me laugh
and has my back through it all
Someone who loves my flaws and loves me cause im
crazy
When I feel ugly they'll still love my they'll still think im
beautiful
And when im a mess they'll still think im the best I want
somebody, I want somebody

I want somebody I can bitch about
I want somebody I cant live without

I want somebody who can make me insane completely
crazy
I want someone who's gonna come and mess me up
and make me want him way to much
Sometimes hate me sometimes love me
I want somebody, I want somebody

Someone who knows when to stay away

Knows how to take my breath away
Knows that no one can love me better
What I need is, What I need is

Somebody I can bitch about
Somebody I cant live without
Want someone who's gonna make me insane
completely crazy
I want someone who's gonna come and mess me up
and make me want him way to much
Sometimes hate me sometimes love me
I want somebody, I want somebody

I want somebody I can bitch about
I want somebody I cant live without
I want somebody who can make me insane completely
crazy
I want somebody I can bitch about
Huh-haa
