When you start fallin'
Who's gonna catch ya?
I'm willin' to betch ya
It will be me

Who's gonna love ya
Like there's no other?
Search and discover
It will be me

When all the others
Have gone and hurt you
Who won't desert you?
It will be me

Weigh in the options
So much to think of
But when you think of
It will be me

You may not see it now
Love is strange that way
But someday, someday baby, somehow

When you've been broken
Dreams don't oblige you
Who's that beside ya?
Oh, it will be me

You may not see it now
Love is strange that way
But someday, someday baby, somehow

Who'd be your only
True romancer?
You know the answer
It will be me

What will it take to
Bring you to your senses?
And finally convince you?
It will be me

It will be me
It will be me
