(Hoffmann)

Folks complain 'bout little things
I hear their sour drone down the long hallway
And from my cave, a boyish fire
A kindling spark
It's the little things keep me believing
Got a box of delusions
Packed at my door
Oh and I've learned my lessons
So well

Chorus:

Sometimes it's easy
To hold on to the rhythm and let it flow
Over and over
Sometimes it's easy
Lately it's been taking all I can hold
Just to keep me close to my heart

Hopeless dreamer close your eyes
I think it's 'bout time to be going home
Night is calling, city streets
A faded picture of a lonely soul
I've got blood on my fingers
Spent my time
Got a mind full of reasons
My oh...

Chorus:

Bridge: You wait for an illusion, but...

Chorus:

Sometimes it's easy
To hold on to the rhythm and let it flow
Over and over
Sometimes it's easy
Lately life's been taking it's toll
Sometimes it's easy
To hold on to the rhythm and let it flow
Over and over

Sometimes it's easy
Lately it's been taking all I can hold
Just to keep me close to my heart
