( the beatles cover )

Come on come on come on come on  
Come on is such a joy  
Come on is such a joy  
Come on and take it easy  
Come on and take it easy  
Take it easy take it easy  
Everybodys got something to hide except for me and  
my monkey

The deeper you go the higher you fly  
The higher you fly the deeper you go  
So come on come on  
Come on is such a joy  
Come on is such a joy  
Come on and make it easy  
Come on lets make it easy  
Make it easy take it easy  
Everybodys got something to hide except for me and  
my monkey

Your inside is out and your outside is in  
Your outside is in and your inside is out  
So come on come on  
Come on is such a joy  
Come on is such a joy  
Come on lets make it easy  
Come on lets make it easy  
Take it easy take it easy  
Everybodys got something to hide except for me and  
my monkey
