Come on, come on
Come on, come on
Come on it's such a joy
Come on it's such a joy
Come on and take it easy
Come on and take it easy
Take it easy, take it easy
Everybody's got something to hide
Except for me and my monkey

The deeper you go the higher you fly
The higher you fly the deeper you go

So come on, come on
Come on it's such a joy
Come on it's such a joy
Come on and make it easy
Come on let's make it easy
Make it easy, take it easy
Everybody's got something to hide
Except for me and my monkey

Your inside is out and your outside is in
Your outside is in and your inside is out

So come on, come on
Come on it's such a joy
Come on it's such a joy
Come on let's make it easy
Come on let's make it easy
Take it easy, take it easy
Everybody's got something to hide
Except for me and my monkey

Come on, come on
Come on, come on
Come on, come on
