Rocking on the ocean
Sucking out the sea
Every bird flies
Over me

We have hips and makers
We have hips and makers
We have a good time
We have a good time

I married a boxer to keep me from fighting
I married a brewer to keep me from drinking

We have hips and makers
We have hips and makers

They keep me dancing
They keep me dancing
They keep me dancing
They keep me dancing
They keep me dancing

Rocking on the ocean
Sucking out the sea
Every bird flies
Over me

We have hips and makers
We have hips and makers
We have a good time
We have a good time

Finally
Its all right
Its all right
Its all right
