Terrible wine
Set you free
Damn slap, happy sleep

Come on out, come on out
Come on out, come on out

Oh mercy, mercy me
Oh mercy, mercy me

Terrible wine
Draws you out
Damn slap, happy in the dugout

Come on down, come on down
Come on down, come on down

Oh mercy, mercy me
Oh mercy, mercy me

And when you're smoke
How do you speak?
Smoke signals?
Write on trees?

Come on out, come on out
Write with me
