(K. Hoffmann)

Keeper of the shadow room  
Spent my night inside your gloom  
Paying you attention  
Cut my hair off in the rain  
Took my woman down again  
Without even thinking  
You know that life  
Doesn't have to be so painful

Chorus:

Do you see the light  
Come shining through?  
Do you hear the whispers?  
They've been calling out to you  
'Cause nobody hurts  
Like you try to  
Just see the light..  
Shining  
The future plays a dangerous game  
Tempt a man to go insane  
Lost in mind's illusion  
Keep your power, keep your grace  
Spend it in a worthy place  
Where it will come back to you  
Under the night  
There's a star that's trying to send a sign

Chorus:

Bridge:

There'll be nights of broken hearts  
And fallen promises  
Even tragedy and sorrow  
Will always have a place  
But if you choose to find  
The light that forms the shadow  
You'll be looking at the sky  
And crying a rainbow

Chorus:

Do you see the light  
Come shining through?  
Do you hear the whispers?  
They've been calling out to you  
'Cause nobody hurts  
Like you try to  
No nobody hurts  
Like you try to  
Into the doorway  
Wrapped in gold  
A welcoming  
To a place of old  
It's always inside you  
You just have to know  
To see the light  
See the light  
Shining
